2018 CLASS ALL-AMERICAN TEAM

Each year, NSSA identifies Class All-American teams for their performance in the previous shooting year. This recognition program determines teams on an objective system based on numbers only. The first requirement for eligibility is that minimum registered targets must be shot: 800 12-gauge; 500 20-gauge, 28-gauge, and .410 bore; and 300 doubles targets.
